I hereby make application to the City of Clayton to the City of Clayton for an annual forestry service license which will qualify me to apply for permits to trim trees on City of Clayton Right-of-way. I understand that this application/renewal requires the following:

- **Certificate of Insurance:** All applicants shall maintain, for the duration of any permit the following minimum liability insurance coverage: worker's compensation and employer liability insurance to meet all requirements of Missouri law and commercial general liability insurance with respect to the construction, operation, and maintenance of the Facilities, and the conduct of the ROW User's business in the City, in the minimum amounts of:
 - (1) \$2,700,000 for property damage resulting from any one accident;
 - (2) \$2,700,000 for personal bodily injury or death resulting from any one accident;
 - (3) \$2,700,000 for all other types of liability.

All insurance policies shall be with sureties qualified to do business in the State of Missouri, with an "A" or better rating of insurance by Best's Key Rating Guide, Property/Casualty Edition. All general liability insurance policies shall name ***"The City, its officers, boards, board members, commissions, commissioners, agents, and employees as additional insured's"*** and shall further provide that any cancellation or reduction in coverage shall not be effective unless thirty (30) days prior written notice thereof has been given to the City Clerk.

- Affidavit of compliance with all current Immigration and Illegal Alien Laws.
- All work will conform to current:
 - National Arborist Association and ANSI A-300 and Z-133 for Arboricultural Operations standards
 - City of Clayton standard urban forestry management tree trimming practices and procedures
- Topping is not an acceptable tree trimming method.
- Application for permits must be made by a certified arborist by ISA or TCIA.
- Payment of \$100 annual fee.

I declare that this application/renewal has been examined and to the best of my knowledge is true and correct. I understand that failing to comply with the current tree trimming practices and procedures will result in the forfeiture of the company's forestry service license for a period of no less than 2 years after the date of non-compliance.
